

Welcomes you back!

Our top priority is the protection of our guests. Our guests' comfort, safety, and health are as important as ambiance and great food.

To ensure everyone's safety as we welcome you back to our homes we ask that we make the following pledges:

RHODE ISLAND RESTAURANT PLEDGE

OUR PLEDGE TO YOU:

- We will continue to follow strict sanitation policies and practices with our team, ensuring all staff are trained in food safety and there is a certified Food Safety Manager on each shift.
- We will protect our employees and guests by asking all staff to report any illness, self-monitor symptoms and temperature, and ask that no one enter the building with a temperature or signs of illness.
- We will rearrange our indoor and outdoor seating if possible, to allow for social distancing and will be sure to space out our guests while seating parties, as necessary.
- We will clean and sanitize common areas and surfaces frequently. All hard surfaces, tables, and chairs will be sanitized after each use.
- Place settings, menus, and condiments will either be single use and discarded, or washed and sanitized after each use. Tables will not be preset, and condiments will be given upon request.

YOUR PLEDGE TO US:

- If you have been exposed to COVID-19 or have experienced any symptoms, fever, cough, shortness of breath, nausea, please opt for contactless take-out or delivery option.
- If you have underlying health conditions, are considered high risk, or are concerned about contracting COVID-19, please opt for our contactless take-out or delivery option.
- If you have any questions about our pledge, please ask a manager who will be happy to address any doubts or answer any questions to assist you. Our pledge will be posted at every entrance, so you can understand precautions put in place to keep our community safe.
- Your gracious patience and understanding with us as we navigate through these circumstances for the first time are greatly appreciated. This is the first time any of us have been through such a crisis. Your willingness to follow the guidelines/restrictions placed on restaurants will help us all enjoy dining experiences that we've missed immensely.
